

Decision 1046/2020 (II. 18.) of the Government
on the National Anti-Trafficking Strategy for 2020-2023 and the Action Plan to be
implemented in the period 2020-2021

1. The Government adopts the "National Strategy for 2020-2023 on the fight against trafficking in human beings", hereinafter referred to as "the Strategy", as set out in Appendix 1.
2. The Government adopts the Action Plan for the Implementation of the Strategy for the period 2020-2021 (hereinafter referred to as the "Action Plan") as set out in Appendix 2, and agrees with the measurable objectives of implementing the measures, defining the scope and means of intervention, as well as personal, material, professional, material and organizational conditions.
3. The Government calls on the Minister of Interior to implement the Action Plan with the involvement of the relevant and competent ministers.

<i>Responsible party:</i>	Minister of Interior with the involvement of ministers with relevant responsibilities
<i>Deadline:</i>	31 December 2021

4. The Government calls on the Minister of Finance, with the involvement of the responsible and competent ministers, to provide the necessary resources to implement the Action Plan, as follows:
 - a) in the amount of HUF 91 million in 2020, which should be provided for the budget of the Ministry of Human Capacities,
 - b) HUF 518,500,000 in 2021, which should be planned for the budget of the Ministry of Human Capacities.

<i>Responsible party:</i>	Minister of Finance with the involvement of ministers with relevant responsibilities
<i>Deadline:</i>	with regard to point a) at the rate of occurrence; with regard to point b) during the planning of the central budget for 2021

5. The Government calls on the Minister of Justice to review the definition of human trafficking in the Criminal Code with the involvement of the Minister of Interior to better meet international standards.

<i>Responsible party:</i>	Minister of Justice with the involvement of the Minister of Interior
<i>Deadline:</i>	30 March 2020

6. The Government invites the Prosecutor General and the President of the Office of the Judiciary to cooperate in the implementation of the Action Plan in their area of expertise.
7. This Decision shall enter into force on the day following its publication and shall expire on 1 January 2024.

Viktor Orbán
Prime Minister

Appendix No. 1. of Government Decision 1046/2020 (II. 18.)

National strategy for the period 2020–2023 on combatting trafficking in human beings

I. Prevention				
	A	B	C	D
	Strategic objectives	Reasoning of the objective	Concerned ministry, department, organization	Resource requirements
I.1.	Paying special attention to victims of trafficking in human beings under 18 years of age	<p>Governmental and non-governmental organizations provide prevention activities in primary and secondary schools, orphanages, depending on resources, but such programs are mostly limited to areas of the country where a given organization operates. Professionals are not always provided. The goal is to create a syllabus with coherent theme and practice</p> <p>High-risk groups are members of social groups living in extreme poverty, particularly women and girls. Effective action requires specific tools in view of the characteristics of these social groups. It is necessary to pay attention to socio-cultural characteristics.</p> <p><i>The measure is in line with Recommendation 6 of GRETA's 2015 first evaluation round and the recommendations of the 2018 Special Report, the 2019 second evaluation round and the United States Trafficking in Persons Report (TIP Report).</i></p>	Ministry of Interior, Ministry of Human Capacities, National Police Headquarters, National Crime Prevention Council, National Coordination Mechanism and Members of NGO Roundtable	European Union and governmental
I.2.	Development of preventive information materials and training, campaigns, especially to reach particularly vulnerable social groups	<i>The measure is in line with Recommendation 6 of GRETA's 2015 first evaluation round and the recommendations of the 2018 Special Report, the 2019 second evaluation round and the United States Trafficking in Persons Report (TIP Report).</i>	Ministry of Interior, Ministry of Human Capacities, National Police Headquarters, National Crime Prevention Council, National Coordination Mechanism and Members of NGO Roundtable	European Union and governmental
I.3.	Exploiting the potential of the Internet to prevent victimization of sexual and labor exploitation, with special regard to the vulnerability of persons under the age of 18	The measure is in response of a given practical challenge and to approximate internal measures to international practice are grounded.	Ministry of Interior, Ministry of Human Capacities, Ministry of Finance, Ministry of Innovation and Technology, National Crime Prevention Council, National Coordination Mechanism and Members of NGO Roundtable	European Union and governmental
I.4.	To prevent re-victimization, establishment and operation of a follow-up system to monitor the lives and protection of the victims identified and assisted	The inclusion of the objective is warranted by the feedback of the members of the National Coordination Mechanism.	Ministry of Interior, Ministry of Human Capacities, Ministry of Justice	European Union and governmental
I.5.	Integrating the concept of trafficking in human beings into public education and higher education syllabus and integrating certain specialized services into the examination requirements	The objective is included based on experiences from the former strategy, feedback of the members of the National Coordination Mechanism and practical challenges.	Ministry of Interior, Ministry of Human Capacities	European Union and governmental

II. Identification, referral of victims of trafficking, victim assistance				
	A	B	C	D
II.1.	Establishment and continuous provision of a coherent procedure for the referral of victims of trafficking and adequate funding for the implementation	<i>The measure is in line with Recommendation 6 of GRETA's 2015 first evaluation round.</i>	Ministry of Foreign Affairs and Trade, Ministry of Justice, Ministry of Human Capacities, National Coordination Mechanism and Members of NGO Roundtable	European Union and governmental
II.2.	Improvement of the organization of municipalities in the field of family and social administration, strengthening the system of health visitors and guardianship at local and county level	The objective is included based on feedback of the members of the National Coordination Mechanism and practical challenges.	Ministry of Interior, Ministry of Human Capacities, Prime Minister's Office	European Union and governmental
II.3.	Clear definition of the elements and members of the social care system, development of methodological guidelines	<i>The measure is in line with Recommendation 16 of GRETA's 2015 first evaluation round and the recommendations of the 2019 second evaluation round.</i>	Ministry of Interior, Ministry of Human Capacities, Ministry of Justice, National Police Headquarters	European Union and governmental
II.4.	Expanding the scope of victim identification bodies, while reviewing the list of indicators of becoming a victim and monitoring data provision	The objective is included based on feedback of the members of the National Coordination Mechanism.	Ministry of Justice	European Union and governmental
III. Judiciary, law enforcement				
	A	B	C	D
III.1.	Revision of legislation concerning the means of proof acquisition, and acts of proof, as well as the examination of the possibility for victims to be exempted from liability for offenses committed in their vulnerable position	The objective is included based on feedback of the members of the National Coordination Mechanism and in order to approximate domestic and international practices.	Ministry of Interior, Ministry of Justice, National Police Headquarters	European Union and governmental
III.2.	Reducing the duration of investigative actions and criminal proceedings	The objective is included based on feedback of the members of the National Coordination Mechanism.	National Police Headquarters, Office of the Prosecutor General, Office of the Judiciary	European Union and governmental
III.3.	Reducing the deliberate use of services provided by victims of trafficking in human beings and monitoring the practical experiences of the new regulation	The objective is included based on feedback of the members of the National Coordination Mechanism and in order to approximate domestic and international practices.	Ministry of Justice	European Union and governmental
III.4.	Improvement of statistical data collection on trafficking in human beings	The objective is included based on experiences of the former strategy and in order to better comply with international standards.	Ministry of Interior, Office of the Prosecutor General, Office of the Judiciary	European Union and governmental

IV. Partnership				
	A	B	C	D
IV.1.	Call for researches on trafficking in human beings	<p>To the best of our knowledge, no comprehensive research has been carried out in the field of trafficking of human beings since the approval of the Government Decree No. 354/2012. (XII. 13.) on the identification order of victims of trafficking in human beings that explains to what extent anti-trafficking organizations, society and potential victims are aware of the relevant information, their opinion on the current system, the effectiveness of the assistance and the tendencies on trafficking in human beings. Such a study could highlight the knowledge base of the participants, what communication gaps occur, and which form of assistance is considered to be the most effective by potential victim groups and experts, also if any service is missing from the system.</p> <p><i>The measure is in line with the Recommendation 8 of GRETA's 2015 first evaluation round and the recommendations of the 2019 second evaluation round.</i></p>	National Coordination Mechanism and Members of NGO Roundtable	European Union and governmental
IV.2.	Developing multilateral cooperation with non-governmental organizations providing opportunity for the reintegration of victims of trafficking in human beings	The objective is included based on feedback of the members of the National Coordination Mechanism and practical challenges.	Ministry of Human Capacities, Ministry of Interior, National Coordination Mechanism and Members of NGO Roundtable	European Union and governmental
IV.3.	Review and continuously comply with commitments and obligations under international conventions	The objective is included based on feedback of the members of the National Coordination Mechanism.	Ministry of Interior	European Union and governmental
IV.4.	Strengthening communication between the National Coordination Mechanism and Members of NGO Roundtable	The objective is included based on feedback of the members of the National Coordination Mechanism.	National coordinator against trafficking in human beings	European Union and governmental
IV.5.	Extending international cooperation related to trafficking in human beings	The objective is included based on experiences from the former strategy, and feedback of the members of the National Coordination Mechanism.	Ministry of Interior	European Union and governmental

Appendix No. 2. of Government Decision 1046/2020 (II. 18.)

Action Plan for the implementation of the National Strategy between 2020-2023 on the fight against trafficking in human beings, to be implemented between 2020-2021

I. Prevention

I.1. Paying special attention to potential victims of trafficking in human beings under 18 years of age and to members of vulnerable social groups

I.1.1. Prevention programs in foster parenting networks, orphanages, home cares, juvenile prisons based on coherent thematic;		
A	Responsible bodies:	Ministry of Human Capacities, Ministry of Finance
B	Partners:	Ministry of Interior, National Police Headquarters, National Crime Prevention Council
C	Means:	development and implementation of prevention programs involving non-governmental organizations against trafficking in human beings
D	Due date:	continuous until 31 December 2023
E	Indicator:	number of participants
F	Funding	to be implemented from national and European Union funds HUF 5 million from national funds, for the development of a prevention program in 2020 In 2021-2023 HUF 250 million from EU funds, for the implementation of the prevention program. The decisions on the allocation of EU funds presented above have not yet been made.

I.1.2. Prevention programs in public education institutions involving kindergarten and school social workers.		
A	Responsible bodies:	Ministry of Human Capacities, Ministry of Finance
B	Partners:	Ministry of Interior, National Police Headquarters, National Crime Prevention Council
C	Means:	development and implementation of educational and prevention programs involving non-governmental organizations against trafficking in human beings
D	Due date:	continuous until 31 December 2021
E	Indicator:	number of participants
F	Funding	to be implemented from national and European Union funds HUF 5 million from national funds, for the development of a prevention program in 2020 In 2021 - 2023 HUF 250 million from EU funds, for the implementation of the prevention program. The decisions on the allocation of EU funds presented above have not yet been made.

I.1.3. Involvement of child welfare general and child protection special care professionals, juvenile prison professionals in the training programs implemented by EFOP-3.8.2-16 and VEKOP-7.5.1-16 projects free of charge until 2020, and planned continuation of the programs after 2020. In addition, development of a specific training module for child welfare general care professionals that takes into account the social environment and cultural characteristics of highly vulnerable social groups.		
A	Responsible bodies:	Ministry of Human Capacities
B	Partner:	Social and Child Protection Directorate General
C	Means:	training
D	Due date:	31 December 2021
E	Indicator:	number of participants
F	Funding	to be implemented from national and European Union funds Funds are provided by EFOP-3.8.2-16 and VEKOP-7.5.1-16 projects.

I.1.4. Introduction and reinforcement of trainings on the prevention of trafficking in human beings for all staff working with unaccompanied or separated children.		
A	Responsible bodies:	Ministry of Human Capacities
B	Partners:	National Directorate-General for Aliens Policing, National Police Headquarters
C	Means:	development and implementation of training modules by involving non-governmental organizations against trafficking in human beings
D	Due date:	31 December 2021
E	Indicator:	number of participants
F	Funding	to be implemented from national and European Union funds HUF 1 million from national funds, for the development of a prevention program in 2020 In 2021 - 2023 HUF 30 million from EU funds, for the implementation of the prevention program. The decisions on the allocation of funds presented above have not yet been made.

I.1.5. Supporting the purchase and maintenance of additional rescue vehicles and allocating resources for the appointed institutions providing regional child protection special care services, for the safe transportation of minor victims receiving child protection special care, and for organizations maintaining temporary accommodations receiving adult victim, for the transportation of adult victims, identified in Hungary, to shelters or safe houses		
A	Responsible bodies:	Ministry of Human Capacities, Ministry of Finance
B	Partners:	appointed institutions providing regional child protection special care services, organizations maintaining temporary accommodations
C	Means:	procurement
D	Due date:	31 December 2021 providing 2 rescue vehicles per year between 2020 - 2021 (4 vehicles in total) for the appointed institutions providing regional child protection special care services; providing 1 rescue vehicle in 2020 for the two organizations maintaining temporary accommodation (2 vehicles in total)
E	Indicator:	number of acquired vehicles (4+2 vehicles)

F	Funding	to be implemented from national funds for acquisition and maintenance in 2020: HUF 80 million HUF 40 million for acquisition and maintenance in 2021 (Maintenance of rescue vehicles: HUF 7 million/year/vehicle) for the maintenance in 2021: HUF 42 million/year.
---	---------	---

I.1.6. Development and application of an authorization protocol for conducting identification interviews in situations when a minor is involved and no parent and legal representative is present

A	Responsible bodies:	Ministry of Justice, Ministry of Human Capacities
B	Partner:	National Police Headquarters
C	Means:	development of the methodology
D	Due date:	31 December 2020
E	Indicator:	report to NKM/Government on the implementation
F	Funding	–

I.1.7. Establishment of a children's hearing room in each court building with a judicial staff of more than 7 persons

A	Responsible body:	Ministry of Justice
B	Partner:	Office of the Judiciary
C	Means:	technical development
D	Due date:	31 December 2021, and then continuous
E	Indicator:	number of established rooms
F	Funding	to be implemented from national and European Union funds

I.1.8. Supporting the creation and operation of the infrastructure conditions required by further Barnahus model¹ services in order to provide nationwide coverage

A	Responsible bodies:	Ministry of Human Capacities, Ministry of Finance
B	Partner:	Ministry of Justice
C	Means:	infrastructure investment
D	Due date:	31 December 2021, and then continuous
E	Indicator:	Number of Barnahus houses
F	Funding	to be implemented from national funds Background: incorporated for two Barnahus houses: HUF 74 million/year from 2020 is already provided from the general budget. (Provided by the general budget of 2020.) HUF 30 million for the establishment of one more Barnahus (available from the general budget of 2020.) Resource requirements: for the establishment of two more Barnahus houses in 2021: HUF 70 million, and HUF 37 million/year, incorporated from 2021, for operating another one Barnahus established from own, institutional funds (not from general budget) in 2020. The decisions on the allocation of funds presented above for 2021 have not yet been made.

¹ The point of the model is that children traumatized by sexual abuse should not be subjected to lengthy criminal proceedings and to avoid re-victimisation due to the repeated hearings. The child can speak in an appropriate environment and share what happened and the information received in only one hearing and investigation can be used as evidence in the case. The Barnahus model also ensures the principle of equality of the parties, since the rights of the suspect are protected in the system.

I.1.9. Development of the legal background for the appropriate application of the Barnahus model services in criminal proceedings.		
A	Responsible bodies:	Ministry of Justice, Ministry of Interior, Ministry of Human Capacities
B	Partners:	Office of the Prosecutor General, Office of the Judiciary, National Police Headquarters
C	Means:	legislation
D	Due date:	31 December 2021, and then continuous
E	Indicator:	number of amended acts and other law
F	Funding	-

I.1.10. Development of methodology for the implementation of prevention activities in public education institutions and youth community areas, youth camps		
A	Responsible body:	Ministry of Human Capacities
B	Partner:	Ministry of Interior
C	Means:	development of the methodology
D	Due date:	31 December 2021
E	Indicator:	developed methodology
F	Funding	can be implemented from national funds The required funds (HUF 4.5 million) are currently not available from Ministry of Human Capacities' budget.

I.2. Development of preventive information materials and training, campaigns, in particular to reach particularly vulnerable social groups

I.2.1. Further use and development of the tools (website, thematic information sheets, video clips, flyers, social media campaign, screenings, public meetings, panel discussions, school activities) developed and applied in the „Don't let it happen” („ <i>Ne hagyd</i> ”) awareness-raising campaign		
A	Responsible body:	Ministry of Interior
B	Partners:	National Police Headquarters, Members of NGO Roundtable
C	Means:	awareness-raising campaign
D	Due date:	31 December 2021
E	Indicator:	total reach
F	Funding	to be implemented from national and European Union funds

I.2.2. Continuation of the National Crime Prevention Council's online prevention and awareness-raising campaign on labor exploitation performed in 2018		
A	Responsible body:	Ministry of Interior
B	Partners:	National Crime Prevention Council, Ministry of Finance EURES, National Police Headquarters
C	Means:	online campaign
D	Due date:	31 December 2021
E	Indicator:	total reach
F	Funding	to be implemented from national and European Union funds

I.3. Exploiting the potential of the Internet to prevent victimization of sexual, labor and other forms of exploitation, with special regard to the vulnerability of persons under the age of 18

I.3.1. Using social media for reaching potential victims of trafficking in human beings		
A	Responsible body:	Ministry of Interior
B	Partners:	National Police Headquarters, National Crime Prevention Council
C	Means:	Development and distribution of content aiming the prevention of sexual and labor exploitation
D	Due date:	continuous
E	Indicator:	number of reached people
F	Funding	to be implemented from national funds

I.4. Establishment and operation of a follow-up system to monitor the lives and protection of the victims identified and supported to prevent re-victimization

I.4.1. In the context of the relationship with victims registered at different bodies and organizations, reporting every six months on the living conditions of cooperating victims after the care period		
A	Responsible body:	Ministry of Human Capacities
B	Partners:	Ministry of Justice, National Police Headquarters
C	Means:	completed electronic interface
D	Due date:	beyond the period of the Action Plan, until 31 December 2023
E	Indicator:	making a study in order to detect the possible deficiencies of the system
F	Funding	2021-2023 electronic interface development HUF 60 million (computerization of the case logs for family and child welfare services) The decisions on the allocation of EU funds presented above have not yet been made.

I.4.2. Investigation of the frequency of re-victimization of victims coming from temporary accommodation and halfway exit houses and, based on the results, identification of areas of the services in the care system that require further improvement		
A	Responsible body:	Ministry of Human Capacities
B	Partner:	–
C	Means:	study
D	Due date:	by 31 December 2021
E	Indicator:	completed study
F	Funding	can be implemented from national funds The required funds (HUF 5 million) are currently not available from Ministry of Human Capacities' budget.

I.5. Integration of the concept of trafficking in human beings into public education and higher education syllabus and integration of particular specialized services into the examination requirements

I.5.1. Preparation of the integration of the field of trafficking in human beings into the specific syllabus of social work studies in higher education		
A	Responsible body:	Ministry of Innovation and Technology
B	Partners:	Ministry of Interior, National Police Headquarters, Ministry of Justice, Ministry of Human Capacities
C	Means:	getting together good practices, development of the methodology
D	Due date:	31 December 2021
E	Indicator:	revised syllabus
F	Funding	–

I.5.2. Amendment of the Ministry of Public Administration and Justice Decree 22/2010 on the administrative test of probation officers, government officials and government case administrators acting as a probation officer, legal aid and victim support service, and compensation body in order to allow victim support service staff to give account of their knowledge of the fight against trafficking in human beings, the characteristics and protection of victims subject to trafficking in human beings within the context of their compulsory training		
A	Responsible body:	Ministry of Justice
B	Partner:	–
C	Means:	legislation
D	Due date:	31 December 2021
E	Indicator:	trainings realized
F	Funding	–

I.5.3. Making trainings on the topic of fight against trafficking in human beings mandatory for consular officers within the context of the consular preparatory training exam		
A	Responsible body:	Ministry of Foreign Affairs and Trade
B	Partner:	Ministry of Interior
C	Means:	legislation
D	Due date:	31 December 2021
E	Indicator:	trainings realized
F	Funding	–

II. Victim identification, referral of victims, victim assistance**II.1. Establishment and continuous provision of a coherent procedure for the referral of victims of trafficking and adequate funding for the implementation**

II.1.1. Establishment and continuous provision of a uniform procedure for the referral of victims and adequate funding for its implementation for Hungarian victims of trafficking in human beings identified in Hungary		
A	Responsible body:	Ministry of Justice
B	Partners:	Ministry of Interior, Ministry of Human Capacities, National Police Headquarters, Ministry of Finance, National Coordination Mechanism and Members of NGO Roundtable
C	Means:	legislation
D	Due date:	31 December 2021
E	Indicator:	detailed procedural rules
F	Funding	–

II.1.2. Establishment and continuous provision of a uniform procedure for the referral of victims and adequate funding for its implementation for European Union citizen victims of trafficking in human beings identified in Hungary		
A	Responsible body:	Ministry of Justice
B	Partners:	Ministry of Interior, Ministry of Human Capacities, National Police Headquarters, Ministry of Finance, National Coordination Mechanism and Members of NGO Roundtable
C	Means:	legislation
D	Due date:	31 December 2021
E	Indicator:	detailed procedural rules
F	Funding	–

II.1.3. Establishment and continuous provision of a uniform procedure for the referral of victims and adequate funding for its implementation for third country citizen victims of trafficking in human beings identified in Hungary		
A	Responsible bodies:	Ministry of Justice, Ministry of Interior
B	Partners:	National Directorate-General for Aliens Policing, Ministry of Foreign Affairs and Trade
C	Means:	legislation
D	Due date:	31 December 2021
E	Indicator:	detailed procedural rules
F	Funding	–

II.1.4. Establishment of a coordinator network for trafficking in human beings at county-level and metropolitan-level, whose composition should, where possible, represent the proportion of the social groups of victimization in the area		
A	Responsible bodies:	Ministry of Justice, Ministry of Interior
B	Partners:	Ministry of Human Capacities, National Police Headquarters

C	Means:	Extending the National Police Headquarters pilot project to other counties
D	Due date:	31 December 2021
E	Indicator:	number of created mechanisms
F	Funding	to be implemented from national and European Union funds

II.1.5. Development of a methodology for identification interviews, including the case when the victim is accompanied

A	Responsible body:	Ministry of Justice
B	Partners:	National Police Headquarters, National Directorate-General for Aliens Policing
C	Means:	development of the methodology
D	Due date:	31 December 2020
E	Indicator:	developed methodology
F	Funding	–

II.1.6. Implementation of the EKAT system² development

A	Responsible body:	Ministry of Justice
B	Partners:	all users
C	Means:	information-technology development
D	Due date:	31 December 2021
E	Indicator:	realized development
F	Funding	to be implemented from national and European Union funds

II.1.7. Signing cooperation agreements for the purpose of regular and coordinated labor inspections with the involvement of the competent department of the Ministry of Finance, the police and other partner bodies

A	Responsible body:	Ministry of Finance
B	Partners:	National Police Headquarters and members of the National Coordination Mechanism
C	Means:	Cooperation agreement
D	Due date:	31 December 2020
E	Indicator:	number of joint inspections
F	Funding	–

II.1.8. Provision of financial resources to the appointed regional child protection special care service provider for the performance of education, training, methodological, research and analysis activities related to the operation of the Barnahus model services.

A	Responsible bodies:	Ministry of Human Capacities, Ministry of Finance
B	Partner:	Ministry of Justice
C	Means:	provision of financial frame
D	Due date:	31 December 2020, and onwards
E	Indicator:	reporting on methodological, research and analysis activities by 31 January 2022 the first time and then every year by 31 January after the respective year

² A web-based system for identification of the victims of trafficking in human beings that had been developed within the framework of the development project of the Ministry of Justice.

F	Funding	to be implemented from national funds incorporated from 2021: HUF 10 million/year The decision on the allocation of funds presented above has not yet been made.
---	---------	---

II.1.9. Assistance services responding to the form of exploitation, in particular continuous monitoring of the capacity and occupancy of temporary shelters of families and temporary accommodations, and, if required, the extension of available capacities based on monitoring results

A	Responsible bodies:	Ministry of Human Capacities, Ministry of Finance, Ministry of Interior
B	Partner:	Ministry of Justice
C	Means:	provision of financial frame
D	Due date:	31 December 2021, and onwards
E	Indicator:	capacity increase
F	Funding	to be implemented from national and European Union funds Making 5 external spaces by 31 December 2021 for 5-5 people: HUF 250 million Maintenance costs from 2022: HUF 15 million/year The decisions on the allocation of funds presented above have not yet been made.

II.2. Further improvement of the organization of the municipalities in the field of family and social administration, strengthening the health visitor and guardianship system at local and county level

II.2.1. More effective operation of the child vulnerability, family and adult crisis detection and signaling system in the framework of the family and child welfare services work - professional guidelines, recommendations

A	Responsible body:	Ministry of Human Capacities
B	Partner:	Prime Minister's Office
C	Means:	developing close cooperation with public education institutions and health visitors
D	Due date:	31 December 2021
E	Indicator:	number of victim identifications
F	Funding	to be implemented from national funds own resource of HUF 5 million until 31 December 2020

II.3. Clear definition of the operation and members of the social care system, development of methodological guidelines

II.3.1. Revision of the forms of support, care and reintegration provided to victims of trafficking in human beings

A	Responsible bodies:	Ministry of Justice, Ministry of Human Capacities, Ministry of Foreign Affairs and Trade
B	Partner:	–
C	Means:	working group
D	Due date:	31 December 2020
E	Indicator:	methodological guide

F	Funding	–
---	---------	---

II.3.2. Analysis of the development of regulations to allow authorities to transfer victims' data to authorized assistance organizations in order to ensure a more effective contact and personal support

A	Responsible body:	Ministry of Justice
B	Partner:	National Police Headquarters
C	Means:	working group, revision of the opt-in system of the state victim support services
D	Due date:	31 December 2021
E	Indicator:	prior impact evaluation
F	Funding	–

II.3.3. Compensation to victims from proceeds related to crime and seized

A	Responsible body:	Ministry of Justice
B	Partners:	National Police Headquarters, Office of the Judiciary, Office of the Prosecutor General
C	Means:	working group, revision of the legal conditions of state compensation
D	Due date:	31 December 2020
E	Indicator:	law amended
F	Funding	–

II.3.4. Conducting a simulation exercise in Hungary involving experts from all bodies and organizations active in the combat against trafficking in human beings

A	Responsible bodies:	Ministry of Justice, Ministry of Interior
B	Partners:	Ministry of Human Capacities, Ministry of Interior, National Directorate-General for Aliens Policing, National Police Headquarters
C	Means:	training
D	Due date:	31 December 2021
E	Indicator:	realized simulation exercise
F	Funding	to be implemented from national and European Union funds

II.4. Expanding the scope of victim identification bodies, while reviewing the list of indicators of becoming a victim and monitoring data provision

II.4.1. Amendment of Government decree no. 354/2012. (XII. 13.) on the identification order of victims of trafficking in human beings in order to extend the range of bodies that carry out victim identification

A	Responsible body:	Ministry of Justice
B	Partners:	Ministry of Human Capacities, Office of the Judiciary, Office of the Prosecutor General
C	Means:	legislative amendment
D	Due date:	31 December 2021
E	Indicator:	law amended
F	Funding	–

II.4.2. Amendment of Government decree no. 354/2012. (XII. 13.) on the identification order of victims of trafficking in human beings in order to review the list of indicators that denote potential victims		
A	Responsible body:	Ministry of Justice
B	Partners:	Ministry of Human Capacities, Office of the Judiciary, Office of the Prosecutor General
C	Means:	legislative amendment
D	Due date:	31 December 2021
E	Indicator:	law amended
F	Funding	–

II.4.3. Follow-up of actual data provision by trained service providers providing personal care and designated as bodies entitled to identification and		
A	Responsible body:	Ministry of Human Capacities
B	Partner:	Ministry of Justice
C	Means:	by means of informing the service providers under an established proceeding
D	Due date:	31 December 2020, and onwards
E	Indicator:	number of data provisions
F	Funding	–

II.4.4. Continuous preparation, education and training of border police personnel to identify potential victims of trafficking in human beings during border controls		
A	Responsible body:	Ministry of Interior
B	Partners:	Ministry of Human Capacities, Ministry of Justice, National Police Headquarters, National Directorate-General for Aliens Policing
C	Means:	qualification
D	Due date:	continuous
E	Indicator:	trainings realized
F	Funding	to be implemented from national and European Union funds

II.4.5. Providing victim identification training for teachers and medical staff working in transit zones, reception centers and detention facilities		
A	Responsible body:	Ministry of Interior
B	Partners:	Ministry of Human Capacities, Ministry of Justice, National Police Headquarters, National Directorate-General for Aliens Policing
C	Means:	qualification
D	Due date:	continuous
E	Indicator:	trainings realized
F	Funding	to be implemented from national and European Union funds

III. Judiciary, law enforcement
